Peyton and Edgerrin James whupped the Pats for a change; how long has that hex been working? Even though the Pats are less a few good men that was a great game except for the interception Manning threw in the second quarter.8 and 0.

It was 4-20, before last night. Like the announcer said last night wouldn't be something if it ended up being the Giants and the Colts in the S.B., it'd be the brothers against each other.

Right; I had it backwards. The Giants schedule looks pretty good; Minnesota then Philly could be

two more in the win. Eli looks better than last year. That would be something.
