They also publicly condone Plastinian Violence.They are using the issuance of a Bond to finance the 7 billion dollars required to purchase; said bond providing capital to potential terrorists.This is the TROJAN HORSE model used in the past to insinuate a foreign power into a willing soverieign nation.The Religous proscriptions adhered to by all the UAE family must be observed in the ports also; amounting to a hostile takeover of one of our countries major infrastructure since it is the avowed purpose of that religion to overthrow the Christianity of the west.More where that came from.
