Somehow they will find a way to blame the three Democrats for the failure of the UAE Trade deal. If every representative and Senator as well as Prez and the cabinet were Republicans; well then they would find a way to blame Clinton.More Jobs in Februrary yet the joblessnes rate is up too; anybody see anything wrong with the new"Cockamamie Economics."Thats the data they are using to decide what to do with Medicare; phanthom figures.The Sheiks that own Dubai Ports World have critisized America in the press; Osama told them to. They held a board meeting and he laid down the law.
