Subject: Che' Guevarra; the new hero of the amnesty movement Posted by Manualblock on Tue, 02 May 2006 21:21:47 GMT View Forum Message <> Reply to Message

Anybody watching this?? While our armies are guarding oil fields in Iraq we have an invasion of our nation. Good work George. I hope someone will bring our men back to defend our country; because this is an invasion with hostile intent. The lefties have taken over much of South America now they are invading our country and...Where's George????
