Purrr, Koshka. I am so happy that the local disco pimp audio retarded will not censor my concerned impressions. The audio-raped Morons must listen to my knowledge or other than they will be your own foolish ass. You and I know what like it is to have no running water at night and

audio junkies. They after all have no knowing about you and me.We are in love with audio and know it superiorly, not others can no like us. Please be here tonight at 11:00 prompts because I

audio-pathetic comment. It is mine and mine alone to judge. See if I don't.RtC

Romy's rants get deleted when he tries to get 'em in upstairs. They're always nonsense.
