The fed's are done and filed back in Feb. but now I can't find what I did with the forms, because my W-2's are stuck with them somewhere. Looks like I may have to file an extension with the state and get somemore W-2's. Shit I knew I should have done my state when I did the feds.

It sucked. Hod dogs, buns and baked beans for 2 months for me. Anyone care to take me out for a nice meal???Can the Dog come too?I had to send what a new Cadillac CTS would cost. It will be 8 to 10 weeks to recover, no doubt. Serious about the meal. Meal for room and board near Pensacola beach...LOL

I've always thought that complaining about enormous tax bills is like complaining that the caviar is too cold. Wish I had to pay'em $1 Million!
