Make my 15 year old Yorx stereo rig from Kmart sound better than Conrad-Johnson's best! You've gotta' try this stuff, especially if your brains fell out of your anus the last time you sat on a toilet!

How does the "Tube-o-lator" Lacquer work ? We are not able to provide an accurate description why the "Tube-o-lator" stuff actually worksHAHAHAHAHAthanks for that its just freaking hilarious!complete curing (sonic character) 20 days long enuf for your brain to explain away your expensive tub o lator ! and imagine a difference!

I have 50 little jars available which just arrived of the true "sonic barrier breaker" The all new chip enhancement is like none other, in fact I think you'll find that it has reached a complete sonic cure in a mere 15 days. 15.00 usd each with 6 applicators. In stock, ready to ship for 3.50 in the lower 48. Shipping worldwide, as with all products is both a pleasure and added cost. Be the first on your blockBill
