Stopped into the store for a coffee and on the counter they have these DVD's sitting there in slippacks for one dollar. I bought Carnival of Souls/John Wayne's; Rio Lobo/and; I walked with a Zombie. Great old B-Movies. Now I am stopping at every 7/11 I pass looking for new titles.

Got the original "Little Shop Of Horrors" like that. Best Buy had a bunch last X-mas. Have to look again this year.If you're in Blockbuster with the kids and they're trying to come up with one more movie, don't, DO NOT rent Miss Congeniality 2!

No problem there; I am not a Sandra Bullock fan. That was her; no?
