Tired of the rat race?  Pissed at your girl?  Watch this flick.  It's wonderfully warped.

I forgot the deal with the soap.  IIRC the soap is made from recycled cellulite or something.Far as a "hit me, go ahead hit me' movie goes, I prefer "Thirteen."

Huh, I have a friend deep into some "samurai" philosophy, who watched this movie at least ten times...Of course, I must said to him that the film is a homo/pussy/chickens fairy-tale... Even the soap is a pink...

If he watched that show ten times he has too much time on his hands.Check out "Thirteen" though. The you hit me I hit you is only one scene. What's interesting about it is that one of the young stars was in on the writing.

I liked "Fight Club" - "Thirteen" got very good reviews here, as I recall, and that's certainly not always the case with American movies dealing with this subject. But I haven't seen it...
