Wal-mart just settled 24 of the many child labor law violations under judication in 36 states. So far 150k has been released to the childrens lawyers for disbursement. The UAW is making inroads into some of the stores located in states that have labor protection avialable to those who have been taken advantage of by the Wall. It is beautifull to see the power and majesty of Law begin to take down the Wall.It is only a matter of time.
