There always seems to be new Chrsitmas tunes I haven't heard:that subject title is one from the local blues show that Inever heard before. Local blues lady should have a playlist up next week at www.wpr.org/regions. When we spoke on the phone she was looking for my request:"Back Door Santa" by BB King.Wait... it's playing now.

Have to call in and ask Brother T-Bone to spin that one for me on HPPR's friday blues.I remember hearing this dirty little innuendo of a song about santa and a naked lady waiting for him under the tree, but for the life of me can't think of who did it (female singer).
