Starting an investigation into the time lapse between when they might have thought Terry Schiavo fell and when he thought he called from 15 yrs ago? It's been investigated 10 times already. Damned shame that the Governor is shielded from an action for malicious prosecution and libel. Micheal Schiavo is a victim here and he needs the right to redress against these thugs.

As a buddy of mine says the fundamental principal of the repugnican party is to get government out of their lives and into yours.

Thats a good one!(You have to say that with an Arnold Schwarzenegger accent.)Let me see, one more yr; that leaves 2.5 yrs left. Two yrs you are a lame duck and the elections are looming. November 2007 is the new winner; thats 3 months. This yr is a legislative write off due to incompetence in Iraq, hey; he's almost gone! Wheeew, thank the Diety.(Oh, I forgot how much vacation time he takes in Crawford, thats another 1.5 yrs down the tubes.) Wake me up when it's over.

No; there will be too much baggage for him. It will be an unknown come from out of nowhere like Clinton did. Nobody likes any of the current crop.
