BUREAUCRACY, AMERICAN STYLE You have two cows.Under the new farm program the government pays you to shoot one, milk the other, and then pours the milk down the drain. AMERICAN CORPORATION You have two cows.You sell one, lease it back to yourself and do an IPO on the 2nd one. You force the two cows to produce the milk of four cows. AL-QAEDA CORPORATION You have two cows.They go into hiding.They send tapes of their mooing. POLISH CORPORATION You have two bulls.Employees are regularly maimed and killed attempting to milk them. Good story, and what`s fascinating is that good funny stories, cartoons and photos really spin around the world. I get this one from various friends from various countries, saw it on some forums, etc.
