So we'll be here when you get back. But hey why be so dramatic about stepping out? You're always welcome and we all know you know that.Hell before you came back there was what; two posts in twenty days??Some day we will have a real debate instead of all this linking nonsense.Oh; and BTW; to all others, this is America and this is the Dungeon. If there are to be rules then state them. No one here has broken any stated rule and no one needs to explain to anyone else. The rule as it is listed says anything goes. Like the TV if you don't like to read it; turn the dial man. Or better yet post something and make it better. Mr. V; so what is it; you have to travel on business for awhile or something?
