Gleason; Steve McQueen? Thought I saw them all but here's one that escaped me. Must check it out; Gleason is one of the most underated actors and Steve; nothing like him nowadays.But If Tuesday Weld is in it; it has to be a winner. My point; not only was she a great look see; but she also had talent; unlike what we see today.Thanks.

She was pretty in a Vegas sort of way; I like her with Elvis!
