Hi Guys,Just wanted to add one more guy as the most underrated guitarist ever. Robbie Robertson. (the Band) Listen to some of his work backing Dylan, and you will hear some of the licks that Jimi & Eric were influenced by. Steve

Ya think so? I like his style but as a trendsetter; I don't know. Can you point out anything in particular?

He had a nice sound with Ronnie Hawkins and The Hawks. Nice and choppy with a good flow.
