I always enjoy the 99 cent only store's ads in the Wednesday newspaper, but today's are special. Under the heading "#1 Dad" are the following items, all for only 99 cents:

Gas relief pills
Condoms
Snore relief
Hemorrhoid ointment
Denture cleanser
Straw hat
Foot powder
Five minute hair color
Adult underpads
etc, etc.

Something really special for every dad.

OMG I about died laughing when I read adult diaper but then about peed my pants when I scrolled down to the bullet shaped nose hair trimmer. Who buys these things and why?

Now that's funny , but make sure you get him some other items to go along with those products. A pair of movie tickets would be a nice addition.

OMWord! I would think if the kids brought that stuff to me. I'd say "Thank You" then sell most of it on eBay after they left!
I must say though, the bullet nose hair trimmers are the thing with the most bling!

This is too funny. What isn't funny though is I think my dear hubby could actually use a few of those items! But you didn't hear that from me!
