Interested in this movie/episode premiered in HBO and Cinemax? Tell me and let's exchange ideas about it. I am from the Philippines and I've been waiting for the True Blood Season 2. I've heard that it's already on show in the USA. Any hint about the episodes?

True Blood

Well, I watched my first episode of it a couple of weeks ago. I think it was the 1st or 2nd show of the season--don't know cuz I don't follow. But Anna Paquin had a pretty good nude scene at the end. Made me wanna watch X-Men again.

Yeah, I know what you mean. She is cute, sort of interesting looking. I liked her better in X-Men, I

think. Seems like she is thinner in the Blood series, but I think she looks better in X-Men. She's a cute girl in any case.
