Our resident artist and webmistress did a really cool painting for me, so check it out:She's got them available as prints on paper or canvas, and there's a whole lot more where that came from. Lots of other really great original art on her site too and the prices are quite low. Fine Art Colony

Nice art! I hope this isn't out of line, but as long as we're talking about art, here is a link to my daughter's art, which she does just for fun.Dave My daughter's art

Oh, wow, Dave - She's really good! I think you should introduce Desiree and Sheri because Sheri likes to showcase various artists' work.
