Ok folks, the dates for this years LSAF are May 14-16. I received no emails back about these dates being an issue, so we went for it. Rooms are \$99 per night and the reservation code is LSA. To get the rate you will need to book by April 30th.

To book a room please goto this website:  
<http://embassysuites.hilton.com/en/es/groups/personalized/DALTXES-LSA-20100512/index.jhtml>  
or call 1-800-Embassy.

The direct phone number to the hotel is: 972-234-3300  
and they can connect you to the Embassy reservation center.

I will be sending out formal invitations via email again this year, so look for an email from:  
lonestaraudiofest\_at\_yahoo\_dot\_com.  
Hope to see you all there this year!!!!

It's time to start inviting people!!! I sent out an initial round of invites to previous attendees right after the dates were set, but it was still early. Now that it's past the first of the year it's time to get busy. I'll be sending out a 2nd round of invites this weekend as well as posting on the Bottlehead, Head-Fi, Headwize, DIYtube forums, and possibly even AA (gasp!!). If anyone wants to post about the LSAF 2010 on forums they visit, I most wholeheartedly encourage it. It can't hurt to extend the exposure of the show. If you do post about it, if you could send me an email about what forum that would help me keep track. Also remember to refresh your post occasionally to keep it towards the top where people will see it, otherwise they get buried if they don't receive many replies.
