Hi,

is it possible to use the Alpha 8a in the one Pi instead of the Alpha 8 model?

Thank you very much,

Frank

all suffixed as "A" in the Eminence line. They're suffixed as "H" in the JBL line. So, for example, if you ever see me mention a 2226 or an Omega 15, you can assume I'm talking about the 2226H or Omega 15A.

Hi Wayne,

thanks for the clarification.

Is it possible to send me the plans for the One Pi?

Best regards,

Frank
