World Trade Center is scheduled to be release this week. It is the story of two Port Authority polcemen who were trapped in the rubble of the World Trade Center on Sept. 11, 2001 after they went in to help people escape.

I didn't realise that a movie had been made about it. I suppose it had to happen eventually.

I won't be going to see it. It was too soon and who*really* needs to be reminded? I don't think it willturn into a hit at all.

I've seen the movie twice in the movie theatre. I felt sad after watching the movie. I can't imagined the number of innocent people who died in that tragedy.
