Based on a true story, it seems like an inspirational movies. A young boy is diagnosed with cancer. He starts sending letters to God telling about his confusion and faith coming with his situation. It's released on April 9th. Will you watch Letters to God?

I haven't heard of it, but it sounds like a good movie. I would have to be in the right mood to watch it though. I usually try to steer away from movies that involve kids battling illness. When I see stuff like that I usually end up worrying about my daughter non stop until I can get it out of my head

Yeah, actually I don't like the type of movie either, especially if the kids lost in the battle. By the way, this movie reminds me of Lorenzo's Oil starring Nick Nolte and Susan Sarandon.

I really liked Lorenzo's Oil, so I'll have to check this one out.

Yeah Lorenzo's Oil is a great and inspiring movie, especially because it's based on a true story. It's not a sad movie. It's talking about hope and perseverance.
