Hmm...good/bad, etc... is hard to say about that kind of controversial and disturbing films...you know, fascinating, powerfull and intersting - but somehow you don`t want to watch it another time...

kids was a brutal movie.he's also got 'bully' which is insightful and equally brutal.it's almost an adolescent version of 'shallow grave'

I'm a huge fan of Hollywood movies especially if tha main star is Angelina Jolie and Bradd Pitt. They are a perfect match. How about the movie Spiderman 3? It's now showing in all cinema theatre.
