Has anyone seen Valentine's Day yet? I didn't go see it at the theater so now I'm waiting for it to come out on DVD. Anyone know the release date in the States?

I can't wait to see it!

Looks like it'll be a pretty good flick for date night.

A certain rental and I bet it will be great. I do usually like the movies that don't get the best reviews. I wonder why they get such bad reviews after I've seen them.

I went to the theater to see it when it first came out and it was awesome. I don't care what the reviews are either, I loved it! I'm a fan of a lot of the actors in the movie. I like Taylor Swift too.
