Ooops, I guess my subject line said it all... do any of you support indie music or local bands? Where is your favorite place to buy indie music?

Got any recommendations? What exactly do you mean by indie music? Would say "The Duckworths" constitute indie music?

I haven't heard of The Duckworths so I can't really answer your question. Indies are independent artists who aren't signed with a record label.

The music of Indies are good andpleasing to the eardrum but my problem is I can't fully understand the meaning of the song unless there's a translation.
