I was archiving the LSAF 2010 photos and making a "Previous Shows" link with them last night. That means it's time to pick a date for next year's show.

I've received a lot of E-mails about LSAF 2010, and everyone liked the date this year. So it would seem a good weekend to do it again next year - May 13-15, 2011. Any objections?

No objections from the FUNNY FARM.

We are looking forward to next years show.

A word of encouragement to those who attended and exhibited at this years LSAF. We hope all of you will be working in your own way to make LSAF even bigger and better for 2011.

We had a great crowd of people this year. Isn't it about the people who make this show what it is, all of you?

Now is as good a time for all of us to get started in our efforts to make LSAF a great regional show in 2011 and beyond.

We are looking forward to seeing all of you again next year.

Our region deserves such an audio show. A place for all of us to share our experiences in a common hobby. And it isn't a bad place to meet new audio friends either.

The date is set: May 13, 14 and 15, 2011

Embassy Suites has a group set for the show, so be sure to tell them you're attending LSAF when making reservations.

I second the Mid May date Kudo's from the FUNNY FARM.

Hopefully they can get everybody on the same floor next year. I'm looking forward to it already.
