A while back I seem to remember one of teh television stations or was int NG do a piece on the big balloons for the parades. It has an explanation on how they were made and the process of creating one and then a day blowing one up.....Also I seem to recall a clip from a movie abotu making Hot Air balloons. But I have gooled and I cant find anything.. Ifanyone has an idea of what to type in to refine my seacrhes let me know.....julie
