Found 110 items under Spike Jones on E-bay. I used to love his TV show.If you read my XLH review you know I'm a huge fan of Cab Calloway, too.

Spike Jones didn't have a television show..... He was on as a guest on a few shows but all he had a radio show. I guess I am just older than some.....My dad had some of the originals.....

Spike Jones and his City Slickers bring back lots of memories. I used to listen to him on radio when I was a kid. I remember a lot of the old radio shows. They required you to supply something which is almost forgotten today.....imagination
