Did you see my new Christmas shoes? Okay, I know shoes are off topic, but they are audiophile approved :-))I could be wrong, but I'm guessing your post was deleted because they just wanted to make a fresh start here after the past weekend.

Those are slick. I should get my wife a pair. A fancy shoe always reminds me of the Steve Martin skit, The cruel Shoe.

Lovely shoes. I would kill for a pair like that!Unfortunately, at my current weight the heels tend to leave big dents wherever I go.
