Any fans of Nickelback here. For those who don't know who they are, they are from Canada (Vancouver) and are among the top money earners in the business according to Forbes. I think \$70 million last year. Geoserv

Hey Geoserv, I am actually a fan of Nickelback, I am sure I have one of their albums, possibly two. I will add them to the selection on the ARTradio (starting Sunday) any favorite song?? We are allowed two songs from any one album per band (it has something to do with how the royalties are paid). Thanks Melissa

Hi Melissa, Does the two-songs-per-album limit also apply to unsigned artists (that you don't have to pay royalties on)? Also, do you have a fax number I can use to transmit a signed consent letter to you? You can e-mail it to me if you'd prefer. Thanks! Duke

I'm very much familiar of Nickelback. I'm a huge fan of Chad Kroeger, the lead vocalist.
