Have you seen the latest movie of Mr. Bean? Watch it! You'll surely laugh out loud.

I loved the Mr. Bean shows, but the movie wasn't as funny to me. Seemed like the same stuff packaged up into a movie format and it kinda got old. But I do like Mr. Bean.

You're exactly right. His previous movie were fantastic compared to the latest one but idea of seeing him on screen tickles me all the time. I love Mr. Bean.

Are his shows stilled on BBC? I haven't seen one in a while.
