Picked this up at the local used CD store. I forgot how much I like JT. I've not owned any for many years. I think I'll try to get the greatest hits next.

I really like James Taylor as well, I saw him when he came to Tulsa a couple years back. Excellent show. And he seems to have a pretty dry sense of humor which goes a LONG WAY with me. He has a pretty neat page on <http://www.myspace.com/officialjamestaylor> it has whats the latest. Melissa

My mom is number one huge fans of James Taylor. I used to hear some of his albums played in my mom's room. Almost all of James Taylor songs are great.

So you've seen James Taylor in person Melissa? I've seen him in MTV's and concerts in DVD. To see him in person is such a good opportunity.

I've enjoyed James Taylor for years. Is this a new album?
