I've been waiting all my life to write Saint-Saens SACD. Serially, tho' the Gramophone Award winning new disc with "Captain Picard" Eschenbach conducting the Phillies and Oliver Latry on the brand new Organ in Verizon Hall LIVE is a top 3 among the 3rds. Even better, you are introduced, as I was to the Samuel Barber Toccata Festiva which is a knock-out along with a great Poulenc Organ Concerto. Latry is superb on all 3. What an organ, errr,...ist.
