This was the best movie I've ever seen. Well, maybe not the best, but one of them, that's for sure. It's kind of like "Peaceful Warrior", but maybe a little more grounded. Check it out:

I'll have to see that one with such a high rec.What do those 2 play, grumpy ancient men? How old is Dennehy? He was old in Silverado. And Garner? He was in his forties when he played Rockford and that was 40 years ago?

It's super cool. They're passing on their wisdom. Garner is a wise old sage, in a real-world kind of way. "Rockford" gets rich, then becomes a dad, then a grandfather. Dennehy has weathered well, and plays a wealthy farmer/landowner that still works hard. I can't tell you much more, 'cause I don't want to spoil it. But you'll love it for sure.
