This one captured my attention right from the start. Al Pacino again in a great peformance. Lee-lee sobeiski sure has grown up.Mostly suspense, some action, a great plot. Highly reccomended. Not for children.

The trailers and ads intrigued me, but it seemed like the reviews were awful.  Then again, this one seems to run hot and cold with people - some love it, some hate it.  I'll put it in my Netflix queue and give it a go.
