I just found out that Ronnie James Dio is dead through some link whilst watching Deep Purple on youtube! I didn't know that! Dio was an unbelievable rock vocalist. I had the once in a lifetime opportunity to catch him live with Heaven & Earth just a couple of years back in my country!

RIP DIO!

I was really saddened to hear about this myself. I shed a few tears over it actually.

One of my biggest vocal influences ever.

I was at work on my forklift when I heard the news on the radio. That man had a set of pipes on him that wouldn't quit.

Did it really happen that way? I had heard he died, but I didn't know that it was while watching Deep Purple. Well, I guess if you gotta go, you might as well give yourself a good send-off!

The OP was saying that is what he was doing at the time.
