Has anyone else besides me seen Kingdom Hospital? It was a made for television series directed by Stephen King. I must say it's one of my favorite shows of all time. The show is a mix of a ghost story and comedy based in a hospital, and at times it gets really funny.

If your a fan of horror/comedy this is a must see,(Also if you're a fan of Stephen King).

I haven't seen it but I have a friend who loved it. It's a shame that the viewing figures dropped so much from that promising first episode. Do you think it was enough to hook the masses? I thought King write it but he adapted it from someone else's work I think.

I have always been a huge Stephen King fan, but I have never heard of "Kingdom Hospital". I can only imagine how good it is!

I have heard of it but haven't actually gotten to see it yet. I think it has been playing on the television lately too, although I can't remember the station. I am going to try to get a chance to see it soon as I love Stephen King.
