Hi everyone. I know there have been many people look at the pics of Pi Speakers, my DIY stuff, and LSAF pics on my Homestead site (well over 5000 peeks on each). I'm now hosting all of the Electronics pics on my new Smugmug site. It's a process under construction, so more will be added as I find time.

Here is the new link:

<http://shanemoorephotography.smugmug.com/Electronics>

If you like what you see on Smugmug, you can save \$5 on a new subscription by using my personal coupon code: NPLQVD0BYuR5s
