My favorite song right now is "Take it off" by Ke\$ha. I think it's such a fun song, and I can't get it out of my head. I even have it as my alarm in the morning lol

My favorite song right now is 300 MPH Torrential Outpour Blues. I'm on a White Stripes kick atm  
My favorite song changes on a pretty frequent basis, though.

Got a lot of favorite songs, but if I had to choose one, I guess it would be 'The House That Built Me' by Miranda Lambert. I must admit however, that I am waiting for Crystal Bowersox first CD to come out because I really like her style. Also, I liked the way Lee Dewyze sang "Hallelujah" on American Idol. That performance was the best version I have ever heard of that song. Unfortunately, he changed it up a bit when he recorded it, and I prefer his original performance.
