Do you remember your first concert? Mine was Blink 182 when I was 15. The best part was there was a sign on fire of a certain 4 letter word.

Mine was Spice Girls. I was so excited and freaking out. They are the first band that I actually liked. I think I was about 9 years old.

It was when I was 16 back in 1978, the Alice Cooper, 'Go to Hell/Billion Dollar Babys' tour, at the old Wings Stadium in Kalamazoo MI..You talk about combining theatrics and rock 'n' roll my mouth was dropped down to the floor most of the concert.

Whoops I just gave away my age.

Hahaha, I'm not called Dinosaur for nothing. My first concert was in 1976. It was an America concert. I sat near the front, great seats, but I barely even remember the concert. I do remember my date for it though. hahaha

My first concert was Reba McIntyre at a county fair. I have seen a wide array of artists over the years though including KISS, AC/DC, John Mayer, Lady Gaga, Madonna, and REO Speedwagon. I will go see anybody that sounds decent because I love the feel and environment of live music.

As another dinosaur, Mountain at the Auditorium in Chicago. Before that, sneaking onto the lawn of a mansion of a big time publisher who had the JH Experience playing.

First concert was Point Blank/REO Speedwagon in 1978 (Salina, KS). Best concert was Pink Floyd indoors in Dallas, TX (1988). They used surround sound that produced an unbelievable effect! Saw them again outdoors and it merely OK.

I didn't go to my first concert until I was 23. My parents were very religious. I saw a few unsigned local bands but my first was HIM. My sweet BF at the time heard they were coming to town and returned the sweatshirt he just bought to buy tickets for us. I didn't know this at the time until I happened to ask him "why don't you wear that new sweatshirt?" It was the sweetest thing anybody has ever done. I fell in love with him that night, They were amazing by the way.

My first and only concert that I ever saw was for Rascal Flatts. I think the opening act was Jason Aldean. Oh, and if the Grand Ole Opry counts as a concert...then I have been to 2.

My first was to an all-day thing where I saw Motorhead, Iron Maiden, Blue Oyster Cult, Kansas, 38 Special and Foreigner. They were all great!

Hi, I guess I'm really a dinosaur. My first was in 1965.... the Kingston Trio. Like someone else said the concert was rather good the date better. Time for my nap now (just kidding). I personally prefer more intimate settings like clubs and such where you can experience the music in a somewhat different manner.

Iron maiden with support from Trivium was my first concert, haven't looked back since, i'm only 18 but Pukkelpop 2011 will be my 10th music festival, my favourite performance was Rage Against the Machine in June 2010.

I saw Outkast and Goodie Mob along with several others at Music Midtown in Atlanta several years ago. I liked Ceelo so much better back then.
