Are you a member of either of these? Netflix or Blockbuster online? Which do you think is better? I think you can watch them both through the Wii right?

I am a member of Netflix right now. They just raised the price again!

I prefer NetFlix. They have many more titles to chose from. I don't think they're available as soon but the large catalog makes up for that, in my opinion.

I have never had a problem with Netflix not having the movies I wanted when I wanted them. I did notice that Netflix takes longer to ship the next movie than Blockbuster online does.
