Please tell me that someone else's kids are as crazy wild over Justin Beiber. It's all my daughter talks about! Yak Yak Yak, JB this and JB that! The movie comes to theaters on Feb 11th and we will be there, will you?

I actually like Justin Bieber! I don't know why so many people hate him. Poor kid! He was found on YouTube, and he is an actually talented kid!

I don't have children but I kind of want to see this. I may not watch it in theaters but I may rent it once it's out on DVD or something like that. I would like to know more about him, since everyone's always making a huge deal out of him. I have heard a few of his songs and he's alright. I hear so many people talk badly about him and I don't understand why.
