Wayne: I have read all the positive comments on your speakers and would love to see if I could build a set of 4Pi speakers. I would appreciate if you could send me the plans.

Thanks

Wayne: I would appreciate if you could resend the 4PI plans. I did not see a PDF attachment in the email. I am new to this forum and it appears that every time someone responds to your email post, you get an email. I did get two emails, but no PDF attachment.

Thanks
