What waveguide is the 4pi using? I don't think it was mentioned in the plans. Also, is it ok to get the 3 pi plans?

It's the H290. There's more information about it and the entire loudspeaker design philosophy here:
High-Fidelity Uniform-Directivity Loudspeakers

I would like to request the 4pi plans as well.

Thanks in advance,
Chris

Decide which model you want and let me know. I'll send the plans right out.
