I was looking forward to seeing Your Highness, but it seems like the reviews are pretty terrible. That's too bad, I think Danny McBride is a pretty good comedic actor. They even have Natalie Portman in this one! Has anyone had a chance to see this yet?

I haven't seen it but the trailers looked funny! The cast is excellent too, so I'm surprised the reviews are bad. Maybe the writing sucks.

That's what I was thinking, the trailers looked good, and they have a nice cast. You're probably right about the writing, which is really too bad with the potential this one had. I'll probably still watch it on DVD someday. Who knows, I often like movies that get bad reviews, hopefully it's one of those movies that's just not for everyone.
