Which band or artist is your favorite? Have they always been your favorite, or do you switch frequently?

I switch a lot but my current favorite is Eminem.

My favorite artist is John Mayer, because he truly is an artist. He is a singer, a songwriter, and a magician with a guitar. He has been my favorite since he started his career.

I change frequently. I personally love the oldies especially the Doo Woops groups. Right now I am loving Train. I also love Janelle Monet. She is so original.

Train is a good band.

My ultimate favorite is Led Zeppelin. Other bands I've loved for a long time include the White Stripes and the Beatles.

Oddly enough AudioAudio I got to see Train perform live last year when they did a summer tour with John Mayer and I have to say I was highly impressed.
