I watch American Idol and I have my favorite, but with it down to the top 5 it is getting down to the wire. I placed my bets on James Durbin at the outset, but who do you think will win?

I like Lauren Alaina. I think she has a great voice and control for a girl who is only 16. They are really great this year though so it is difficult to say who will win.

Oh, it's James, for sure! He is a real star already. And I am surprised to hear myself saying this, but I also like Scotty! I am, by no means, a Country & Western fan, but you gotta love him. And I swear, he looks just like Alfred E. Newman from the Mad Magazine comics! I am hoping it will come down to these two, in the end.

Danny I feel the same way about Scotty. I am not a big country fan either. I want it to be James and either Lauren or Scotty to be in the top 2.

This year I decided not to watch American Idol. However, it seems that this is the topic of conversation every where I go. I am going to have to watch now that there are few to go.

James was voted off last night! I couldn't believe it! I don't like any of the others so I'm not sure I'll watch the rest of the season.
