Are you excited about the new Summer season? I know I am going to be sad about this being the final season for The Closer. I was happy that they brought back Flash Point, and more than anything Law & Order: CI. I am curious about Falling Skies which will start in June on TNT.

I'm not really sure what's going on this summer, other than So You Think You Can Dance, Hell's Kitchen, and Game of Thrones. I know I will watch those shows anyway.

I am hooked on tons of shows. I even have two DVRs in my house. I practically watch every new show until I figure out if I really like it. I am looking forward to Royal Pains, White Collar, Burn Notice and Hawthorne. I also love SYTYCD and AGT (America's Got Talent).
