What's that song on Tropic Thunder that Tom Cruise dances to? I want to get a copy of it but I don't know the title or who the artist is.

That would be "Get Back" by Ludacris. I swear I didn't guess that that was Tom Cruise. I knew there was something familiar about that guy, but I couldn't put my finger on it. Sure fooled me!

Thanks, DJ Dave! Time to head off to Napster.

I know what you mean about not recognizing Tom Cruise. I was pretty far along in the movie before I figured it out.
